OTOC AUSTRALIA AWARDED \$4.8M CAMP RELOCATION & RE-ESTABLISHMENT PROJECT

Veris Limited (ASX: VRS) is pleased to announce that its wholly owned Infrastructure Services subsidiary, OTOC Australia, has secured a new Project.

OTOC Australia has been awarded the camp relocation and establishment project for Pilbara Minerals Limited's (ASX: PLS) Pilgangoora Lithium-Tantalum project in Western Australia. The award is for the first stage of a 300 room camp relocation package and re-establishment works, to the value of circa \$4.8 million. The contract scope requires OTOC Australia to de-construct, transport, erect, commission and handover an initial 60 rooms, plus common facilities.

Pilbara Minerals have confirmed that OTOC Australia was selected following a competitive tendering process that demonstrated OTOC's considerable camp construction experience.

Commenting on the Award, Veris CEO Simon Thomas said:

"This award is testament to the reputation and heritage that OTOC Australia has established in the WA resources sector through successful delivery of projects of this nature."
